

It's Nomination Time

It's time to nominate association members for two of our most prestigious annual awards, the "Citizen of the Year Award" and the "Fred Haile Distinguished Supplier Award." These awards go to members who have rendered the greatest service to our association during the current year. Board members are not eligible for the "Citizen of the Year Award."

If you know of a member who should be recognized for their contribution to our association, we urge you to nominate them.
